# CAT START SHE/THEY

## PROFILE

My name is Cat, I am a 4th year student at Michigan State University graduating in Spring 2025 with a Bachelors of Arts in Games and Interactive Media. I also intend to pursue a Master's degree in Media and Information at Michigan State University. I have worked on various game projects as a producer, project manager, programmer, designer, and artist. I am passionate about creating unique and artistic games, as well as Diversity, Equity, and Inclusion in the game industry.
